My Dear Lads and Lassies,

Ha, ha! You can't catch me! Your traps are brilliant, but it's not very nice to try to trap a Leprechaun with gold coins! Remember the golden rule. Treat people the way you want to be treated.

If you'd like to find a treasure today, search for lucky four leaf clovers and rainbows. Don't forget to wear green.

Happy Saint Patrick's Day,

Leprechaun
